Instructor: Fred Straub, CSP, ARM, MS

Prospering Safely; Safety and Risk Management Services

February 4th 8:00 am to 12:00 pm

Pennsylvania Newspaper Association, 3899 North Front Street, Harrisburg, PA

The facts are clear - the number one cause of workplace deaths is vehicular collisions. Fortunately, this carnage does not have to continue. Through driver training, safer vehicles, effective written programming, and proper employee motivation by management, this trend can be reversed. This high-energy, 4-hour program addresses current business and personal driving issues, including: air-bags, anti-lock brakes, new driver screening, safety belts, child restraints, substance abuse, proper passing techniques, safe following distances, driver attitude, purchasing safe vehicles, use of cellular telephones, the impact of driver age on safe driving performance, road rage, avoiding head-on collisions and much more.

**Who Should Attend:** Every Driver

Cost \$150 (non-member \$225) – cost includes lunch and all handouts used in the training.
