

Get Connected with...

Speed Networking

Because Construction Is STILL A Relationship Business

- Would you like an opportunity to connect with a large number of General Contractors in one evening?
- Are you looking for a way to get information about qualified GCs for your Design-Build teams?
- Is your day too full to get to know the important project team members who provide the best services?
- Do you want an efficient way to network with a wide variety of GCs, who have the right experience and certifications to construct the projects that you design?

If you said **YES**, then get connected at "Speed Networking" night with Mid Atlantic BX.

As our valued Architectural and Engineering partners, you will have the opportunity to meet and connect with **20 General Contractors**. Each of the GC participants will visit your table for 4 minutes, where you can **exchange general information and business contacts**. Seating is **limited to 20 Design Firms, with a maximum of 2 company representatives**. Food and beverages will be included in the cost. Don't miss this opportunity to meet, face-to-face and build the relationships that will support your future projects.
