

Because Construction Is **STILL** A Relationship Business

## 2010 Finance & Future Planning Committee

The Finance Committee is charged with the responsibility to prepare an annual budget for the BX to serve the Members with a program of services and activities and to present it to the Board of Directors concerning the financial and general condition of the BX and to recommend any necessary revisions during the budget year.

The Future Planning Committee is charged with the responsibility to study ways and means of providing new services and activities as well as improvements to our present services and activities; to strengthen the BX which will enable us to better serve our Members, our industry and our community.
